

To this day, Secretary Mineta remains a prominent leader within the Asian American and Pacific Islander community through his work with numerous civic organizations. He is a recognized expert on transportation and homeland security issues. He received the highest civilian award in the United States when he was awarded the Presidential Medal of Freedom in 2006.

Of course, we could spend a good portion of our lifetime reciting Norm Mineta's achievements. I, however, would like to close my remarks by simply heralding what I believe to be the true mark of this great American statesman: through thick and thin, Norm Mineta has carried his country on his shoulders. With Secretary Mineta, no one is left behind and America can never have a bad day. For that, Norm Mineta has earned our eternal affection and commands our grateful respect.

Mr. Speaker, I urge all of my colleagues to support H. Res. 1377, a tribute to a distinguished former member of this body, Norman Yoshio Mineta.

RECOGNIZING DENNIS M. DIEMER

HON. GEORGE MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 16, 2010

Mr. GEORGE MILLER of California. Madam Speaker, I rise with my colleagues Congressman JOHN GARAMENDI, Congresswoman BARBARA LEE, Congressman JERRY MCNERNEY, and Congressman PETE STARK to recognize East Bay Municipal Utility District General Manager Dennis M. Diemer and congratulate him as he approaches his well-earned retirement.

Mr. Diemer's career in public service demonstrates his lifelong commitment to the citizens and communities of the East Bay. We are grateful to him for his service to our constituents.

He began his career with EBMUD in 1981 as a senior environmental engineer, and over the ensuing years he was promoted to positions of increasing responsibility at the agency. In 1995, the board of directors selected him to serve as acting general manager, and he was appointed as general manager on February 13, 1996.

In California, where our water fights are legendary, Dennis' collaborative approach helped EBMUD make strides toward a secure water future. Working with the district's board of directors, Dennis and his team focused on identifying and working with partners for water supply projects. He played a significant role in ending years of water wars between the East Bay, the Sacramento area, and the environmental community, an effort which evolved into the Freeport Regional Water Project.

Dennis' work has made a long-term difference in the environmental quality of the Bay Area. He has long promoted protection of San Francisco Bay, from his work in the 1980s managing a collaborative effort with local communities to abate uncontrolled sewage discharges into San Francisco to more recent efforts to forge agreements that put EBMUD and local communities on a long term path toward controlling wet weather discharges to the Bay. In addition, under his watch, the district's new long range plan included a pioneering analysis

of the potential impacts of climate change on future water supply. These actions will result in better protection of public health and the environment.

Dennis has demonstrated exceptional leadership for EBMUD, making the organizational and process improvements necessary to anticipate and adapt to changes in regulations, technology, the environment, and the world around us.

Madam Speaker, I invite our colleagues to join us in honoring General Manager Dennis Diemer for his dedicated service to the people of California and the Bay Area. We are pleased to join with his family, colleagues, and friends in congratulating Dennis on a long and highly successful career and wish him a happy and healthy retirement.
